## *Introduction*

*Your* Home Insurance policy is made up of several parts which must be read together as they form *your* contract. The basis of this contract is the information which *you* have supplied and/or the statement of facts including the declaration which *you* have checked to *your* satisfaction. Please take time to read all parts of the policy to make sure they meet *your* needs and that *you* understand the terms, exclusions and conditions. If *you* wish to change anything or if there is anything *you* do not understand, please let *your* insurance adviser know.

The parts of the policy are:

- ↳ this introduction; the General Exclusions and General Conditions, all of which apply to all sections of the policy
- ↳ the sections of cover selected by *you*, including the Meaning of Words, the Exclusions and Conditions which apply to the section
- ↳ the *Schedule*, which includes all Clauses applied to the policy while the policy is in force.

Any word or expression in the policy which has a specific meaning has the same meaning wherever it appears in the policy.

*Allianz* will indemnify *you* in accordance with and subject to the terms of this policy, in consideration of the payment to *Allianz* of the premium for the Period of Insurance.

Please examine this policy and if it is not correct return it immediately to *your* insurance adviser who will arrange for it to be amended.

### *How your cover works*

*We* will insure *you* within the conditions of *your* policy for those sections named in the *schedule* for any insured event which takes place during the period of insurance.

*Your* policy ends at midnight on the last day of each period of insurance

### *Changes to your circumstances*

Please tell *your* insurance adviser immediately if there are any changes to *your* circumstances which could affect *your* insurance.

Please refer to General Condition 12 on page 32 of this policy.

If *your* circumstances change and *you* do not tell *us*, *you* may find that *you* are not covered if *you* need to claim.

### *How to make a claim*

- 1 Check *your schedule* and policy which give details of what is covered and what is not covered.
- 2 Follow the General Conditions on page 31 of *your* policy.
- 3 Please ring our Household Claims Centre on [0845 073 1114](tel:08450731114) at *your* first opportunity to notify *your* claim and *you* should quote Scheme number [KD 10299631](#).
- 4 *You* can make any reasonable temporary repairs as soon as possible on a without prejudice basis but keep the bills as these may form part of *your* claim. It would be helpful if *you* take photographs of the damage. *We* must have the chance to inspect the damage before *you* carry out permanent repairs.
- 5 If someone is holding *you* responsible for damage to their property or for *injury* to them, please tell *us* at *your* first opportunity and give *us* full written details. *You* must send *us* any writ, summons or other legal document, immediately and unanswered. Do not admit liability.
- 6 Any permanent repairs made by *our* approved suppliers are guaranteed.

If *you* have any questions please contact John Albion & Partners on freephone [0800 783 0550](tel:08007830550).

### *Financial Services compensation scheme*

*You* may be entitled to compensation from the Financial Services Compensation Scheme (FSCS) if *we* cannot meet *our* liabilities. For compulsory insurance *you* may be entitled to compensation up to 100% of the claim. For all other types of insurance *you* may be entitled to compensation up to £2,000 for the first part of the claim and 90% of the remainder of the claim.

Further information about compensation scheme arrangements is available from the FSCS.

### *What to do if you are not satisfied*

*We* will make every effort to give *you* an excellent service. However, if *our* service falls below the standard *you* expect, and *you* wish to make a complaint, please follow the procedure on page 33 of *your* policy.

## *Protecting your home and belongings*

We ask our policyholders to follow the advice of the Fire Service, whose minimum standards of safety are outlined below.

### *1 Recommended fire detection and extinguishing equipment*

- i a suitably located fire extinguisher
- ii a fire blanket should be installed in the kitchen
- iii if there is a roof void in *your home*, then a smoke alarm should be installed at the highest point and linked to another smoke alarm in the hallway or landing. In this way, if smoke is detected in the roof void the alarm will sound throughout the living accommodation.

### *2 Electrical wiring inspections*

An electrical contractor approved by the National Inspection Council for Electrical Installation Contracting (NICEIC) should inspect the electrical wiring in *your home* once every ten years.

We offer the following hints on precautions worth taking.

## *Fire prevention*

- a Check *your* electrical equipment regularly. Make sure that *you* use the correct fuses and do not overload the circuits. Ask for the help of a qualified electrician if *you* are in doubt.
- b If *you* leave *your home* for more than 24 hours, switch off the electricity at the mains or unplug all appliances. (*You* may need to keep the refrigerator, freezer or heating systems in use). Always unplug non-essential electrical appliances before *you* go to bed at night, especially electric blankets and television sets.
- c Fires often happen in kitchens. *You* can put out chip pan fires by shutting out the air. Cover the pan with a lid or thick damp cloth. **Do not use water.** Remember safety first. Call the emergency services
- d *Your home* may contain substantial and old roof timbers. Work using heat or naked flames should not be carried out in the roof void. This includes the use of blow torches and hot air strippers unless strictly necessary, with adequate safety precautions being taken.

Wherever possible the use of heat should be avoided in *your home*, but where this is unavoidable, guidance notes are available from John Albion & Partners.

If *you* employ builders, plumbing or decorating contractors to carry out work in or near *your home*, *you* should ask for proof that a public liability policy is in force that includes the use of heat, and which provides a limit of indemnity of £1,000,000.

- e Working chimneys in *your home* should be regularly inspected internally and externally to ensure that the brickwork and mortar joints are sound.

Chimneys should be swept regularly by a professional sweep. Do not burn paper on open fires and never burn unseasoned wood. If a spark arrester is fitted to the chimney pot it **must** be regularly cleaned.

## *Water damage*

- a Lag exposed water pipes and tanks in the roof area.
- b Turn off the water and drain the system if *you* leave *your home* without heat in winter.
- c If pipes freeze despite *your* precautions, thaw them out slowly using hot water bottles. **Never use a blowlamp.**

If *you* would like advice on anything mentioned above or anything affecting this policy contact John Albion & Partners, who will be happy to give all possible help.

## *Security precautions*

- 1 Never leave keys in the lock (other than for ease of exit at night), hanging inside a letterbox or hidden outside the home.
- 2 When upstairs avoid leaving doors and windows open downstairs.
- 3 Don't leave small *valuables*, money, handbags, wallets and purses where they can be easily seen from outside.
- 4 If *you* go out in the evening leave a light on in a living room or bedroom. Leaving an outside or landing light on is not sufficient; the home must look lived in.
- 5 Never leave ladders or tools lying around; these will encourage rather than deter an opportunist thief.
- 6 Close and lock all garages, sheds and other outbuildings.
- 7 Join a local Neighbourhood Watch Scheme or consider starting one in *your* area.
- 8 Don't let strangers into *your home* unless they give *you* official proof of their identity. If *you* are suspicious telephone the company concerned for verification while *your* caller waits outside behind the locked front door.
- 9 Remember to cancel milk and newspaper deliveries before *you* go on holiday and ask a trusted neighbour to keep an eye on *your home* and leave a spare key with them.
- 10 Keep a record of *your* possessions, for example the serial numbers of televisions and video recorders, and use a security marker which writes in invisible ink to mark *your* postcode and house number (this ink can only be read under ultraviolet light). Retain copies in a safe location.
- 11 Keep receipts, obtain valuations and take photographs of jewellery and any other valuable or unusual items. Photographs are an enormous help to the Police for identifying stolen property and returning it to the rightful owner.

## *Garages and outbuildings*

Homeowners increasingly store more garden machinery, power tools and sports equipment in garages and garden sheds and these are all items that can be easily observed when in use and removed when *your home* is left unattended. The household insurance policy provides cover for the contents of domestic outbuildings, but given the disruption and distress that break in and burglary can cause, and bearing in mind that these events usually coincide with seasonal demand, it makes sense to take reasonable steps to protect your property.

We recommend that outbuildings and garages should be fitted with a mortice deadlock and/or a padlock and padbar, the padbar being bolted through a secure mounting point in good condition. Whenever *your home* is left unattended, the security devices should be put into operation and the keys removed from sight.

In addition we recommend that: -

- i Windows should be screened to obscure the view of the contents from casual observers
- ii All bicycles valued in excess of £500 should be secured to a sound fixture using a suitable locking device
- iii Wherever possible, and particularly in buildings where expensive machinery is stored, window bars should be fitted.

## *New home, new locks*

When properties are for sale, house keys can be entrusted to third parties and homes visited by a number of persons who have expressed an interest in purchase. Without the following comment being an adverse reflection on either the previous owners of the property or their agents, we would recommend that the door locks should be changed when you take up residence to ensure that only *you* have a set of keys to fit the locks in your new home.

## Homecall – 24 hour emergency service and legal helplines

### Emergency helpline

Unfortunately emergencies happen when *you* least expect them. But with *our* emergency helpline service help is only a phone call away, 24 hours a day, 365 days a year.

#### The service

Just consider some domestic emergencies which may arise. *We* can provide immediate help in circumstances such as:

- ↳ plumbing or drainage problems likely to cause flooding;
- ↳ failure of *your* gas or electricity supply;
- ↳ damage to *your* roof where damage to the inside of *your home* is likely;
- ↳ damage to *your home* making it insecure or unsafe; or
- ↳ leaking water or oil from *your* central heating system.

#### What to do

When an emergency happens, ring *us* immediately on [0845 073 1114](tel:0845 073 1114).

Please say that *you* are an Allianz customer, explain the problem and quote:

Scheme number [KD 10299631](#)

You should tell the emergency services about major emergencies which may result in serious damage or injury to people. You must always report gas leaks to the gas authority.

#### What we will do

*We* will tell a qualified repairer to call at the first opportunity to carry out repairs. The qualified repairer will contact *you* to confirm what the call-out charge and hourly labour costs are. *You* will have to pay the total cost. However, *we* constantly monitor the service making sure charges are kept as low as possible.

The nature of the emergency may be covered by *your* policy, so *you* may be able to claim for the costs.

### Lawphone

*Your* policy includes access to Lawphone to give advice, 24 hours a day, 365 days a year, on any personal legal matter. The advice *you* get from Lawphone will always be according to the laws of Great Britain and Northern Ireland. *We* may record the calls to protect *you*.

Lawphone: [0870 241 4140](tel:0870 241 4140)

When *you* call [Lawphone](#) quote [36418](#). *You* will then be asked for a brief summary of the problem and these details will be passed to an adviser who will return *your* call.

### Glass replacement

Broken glass is dangerous and in some circumstances can be a major security risk. [Allianz](#) have negotiated a special arrangement for *you* with one of Britain's leading glass replacement specialists, Solaglas.

Solaglas will bill *us* direct – *you* pay nothing except the policy excess.

The service is available 24 hours a day, all year round, telephone FREE [0800 474747](tel:0800 474747)

### *How we settle claims*

See also General Exclusions and General Conditions.

The amount *we* will pay for loss of or damage to the *buildings* will be the cost of the following.

- a Repairing or replacing the damaged items without taking off an amount for wear and tear or loss of value, as long as:

- ↳ The sum insured will cover the full rebuilding cost; and
- ↳ The repair or replacement is carried out immediately.

If the sum insured will not cover the full rebuilding cost, the amount *we* will pay will be the cost of repairs or replacement less an amount for wear and tear.

If garden walls or other free standing walls are more than twenty-five years old an allowance will be deducted for wear and tear.

If the repair or replacement is not carried out, the amount *we* will pay will be the loss of value resulting from the loss or damage but not more than what it would have cost to repair or replace the item if this had been carried out straight away.

- b Demolishing, removing debris, shoring up, or propping up parts of the *buildings*.
- c Architects', surveyors', legal and other fees for estimates, plans, specifications, quantities, tenders and supervision.

*We* will not pay more than the fees authorised under the scales of the Royal Institute of British Architects, the schedule of professional charges of the Royal Institute of Chartered Surveyors and the Law Society.

*We* will not pay any fees for preparing a claim.

- d Any extra costs to keep to building or other regulations or within the by-laws of any local authority but only for damaged parts of the *buildings*.

This does not include any extra costs *you* pay after notice has been served on *you*.

- e *We* reserve the right to take ownership of an item or items once *we* have paid a claim following their loss or damage beyond repair but no item or items may be abandoned to *us*.

Any permanent repairs made by *our* approved suppliers are guaranteed.

### *Limit of liability*

*We* will not pay more than £2,000,000 under events 15a and 15b of this section for all compensation and claimant's costs and expenses for any one claim or series of claims arising out of any one event.

### *Selling your home*

When *you* sell *your* interest in the *buildings*, the person who completes the purchase will be covered by the insurance in this section. This benefit will apply up to the date of completion as long as they have no other insurance in force.

### *Matching sets and suites*

*We* will treat an individual item of a matching set of articles or suite of furniture or sanitary fittings or other bathroom fittings as a single item.

*We* will pay *you* for damaged items but not for the other pieces of the set or suite which are not damaged.

For example, if one kitchen cupboard is damaged *we* will replace or repair the damaged cupboard only, not the whole kitchen.

### *Sum insured*

The sum insured chosen by *you* must be enough to pay for the full cost of rebuilding and take account of the expenses and fees mentioned in b, c and d on page 14 above.

If the sum insured is not enough to pay for the cost of rebuilding the *home* after taking account of the expenses and fees mentioned in b, c, and d above the Average clause will apply in the event of a claim.

*We* will not pay more than the sum insured for loss or damage to the *buildings* by any of the events 1 to 13 unless the Rebuilding and Reinstatement Guarantee (see page 15) applies to the policy.

### *Index linking*

*We* will change the sum insured each month by the percentage change in the House Rebuilding Cost Index published by the Building Cost Information Service of the Royal Institute of Chartered Surveyors (or some other suitable index *we* decide upon).

*We* will not charge extra premiums on any index-linking adjustments during the period of insurance.  
*We* will work out the renewal premium on the sum insured which applies on the first day of the renewal month.

If *you* claim for loss or damage, *we* will continue to make the monthly index-linking adjustments between the date of the loss or damage and the date when the loss or damage is repaired or replaced for up to one year. *You* must take all reasonable steps to have the repair or replacement carried out straight away.

### *Average clause*

If *you* are underinsured meaning that the cost of rebuilding the *home* at the time of loss or damage is more than the sum insured for *buildings* indicated on your schedule then *we* will only pay a proportion of *your* claim.

For example if *your* sum insured only covers 75% of the cost of rebuilding the *home* *we* will only pay 75% of the cost of the repair or replacement of *your home*.

### *Rebuilding and Reinstatement Guarantee*

In the event of the sum insured being insufficient for full reinstatement of the *buildings* of *your home* *we* will pay such additional sums as are necessary to complete the rebuilding provided that:

- 1 the sum insured was assessed and confirmed in a written report prepared by a fellow or associate of the Royal Institute of Chartered Surveyors or Incorporated Society of Valuers and Auctioneers using recognised professional guides (eg The Rebuilding Cost Information Service of the Royal Institute of Chartered Surveyors) as being the full reinstatement cost of the *buildings*.
- 2 the sum insured as defined in 1 above has been continuously index linked in line with the House Rebuilding Cost Index published by the Building Cost Information Service of the Royal Institute of Chartered Surveyors (RICS), or some other suitable index *we* decide upon.
- 3 alterations and/or additions materially affecting the reinstatement cost of the *home* since the inception of the insurance have been notified to *us* and the sum insured adjusted accordingly.
- 4 the *buildings* are capable of economic repair. If in *our* opinion the *home* is not capable of economic repair *we* will pay its market value at the time the claim settlement offer is made. The market value, to be assessed by an independent qualified surveyor, will be the cost of purchasing a similar property in the same residential area in an undamaged state, less any residual value in the existing property including the land upon which it stands.
- 5 If the sum insured does not comply with the requirements in 1 – 4 above this section of the policy is inoperative and *you* should refer to the Average clause above.

### *No claim discount*

When *we* work out the premium *you* need to pay to renew *your* policy *we* may give *you* a discount if *you* do not claim during the previous period of insurance (as long as the insurance has been in force for 12 months and *you* renew the policy for a similar period).

If *you* do make a claim the premium *you* need to pay to renew *your* policy may be increased as a result.

Loss, damage, cost or expense of whatever nature directly or indirectly caused by, resulting from or in connection with any act of terrorism regardless of any other cause or event contributing at the same time or in any other sequence to the loss.

For the purpose of this exception an act of terrorism means the use, or threatened use, of biological, chemical and/or nuclear force by any person or group of people whether acting alone or on behalf of or in connection with any organisation(s) or government(s) committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public or any section of the public in fear.

9 *Theft*

Loss or damage:

- a resulting from theft or attempted theft by *you*.
- b Suffered as a result of being deceived into knowingly parting with *your* property.

10 *Pre-existing damage*

Loss, damage, *injury* or liability as a result of an event which happened before the cover under this policy started.

11 *Confiscation*

Loss or damage caused by officials or authorities confiscating or holding *your* property.

## General conditions

The following conditions apply to the whole policy.

### 1 Premium

You must pay the premium or any agreed instalment when *we* ask.

### 2 Reasonable precautions

You must keep any property *you* insure in a good state of repair and take all reasonable steps to prevent accidents, *injury*, loss and damage.

### 3 Claims

If *you* need to make a claim, *you* must do the following:

- ↳ Tell *us* as soon as possible about the event and give *us* any information *we* may need.
- ↳ Tell the police about any damage caused by theft or attempted theft or if any property is lost outside *your home*.
- ↳ Allow *us* to enter, take or keep possession of any property where the damage has happened. *We* can also deal with any insured property in any way *we* think is appropriate. However, *you* must not abandon any property and leave it to *us*.
- ↳ Carry out and allow *us* to take any action *we* need to prevent more damage.
- ↳ Tell *us* immediately about any prosecution, inquest or enquiry connected with any *injury* or damage.
- ↳ Not pay or offer or agree to pay any money or admit responsibility without *our* permission.
- ↳ Allow *us*, in *your* name, to take over and control all negotiations and proceedings which may arise for any claim.
- ↳ Allow *us* to take any necessary action to enforce *your* rights against any other person. *We* will pay any costs or expenses involved.

*We* will not pay any claims under this insurance unless *you* have kept to this condition. If *we* have already paid *you* for a claim, *you* must repay *us*.

### 4 Repairing or replacing property

If *we* are going to repair or replace any property, *you* must give *us* any plans, documents, books and information *we* ask for. *We* do not have to repair or replace the property as it was. The most *we* will pay for any one item is the sum insured unless the Rebuilding and Reinstatement Guarantee (see page 15) applies to the policy.

### 5 Other insurance

If at the time of any claim *you* have other insurance covering the claim, *we* will only pay *our* share of the claim.

### 6 Reflection period

*You* may cancel this policy within 14 days of the date *you* receive it. *You* can do this by contacting *us* at the address shown at the back of this policy or by contacting the intermediary through whom *you* arranged this insurance. If *you* choose to do this, *you* are entitled to a refund of the premium *you* have paid for this insurance. *We* will only charge a pro-rata premium plus £15 to cover *our* operational costs which is subject to a minimum amount payable of £25 plus Insurance Premium Tax at the prevailing rate except where an incident has occurred which may give rise to a total loss claim, in which case the full annual premium may be payable to *us*.

If *you* choose to cancel this policy any additional optional extras will also be cancelled.

### 7 Cancellation (outside the Reflection period)

*We* can cancel this *policy* by giving seven days' notice in writing.

*You* may cancel this *policy* by giving *us* notice in writing.

If *you* cancel the policy outside the reflection period *we* will provide a pro-rata refund based on the annual premium payable less a £10 charge, as long as *you* have not claimed during the current period of insurance. Where an incident has occurred which may give rise to a claim the full annual premium may be payable to *us*.

If the amount due when *you* cancel the policy is more than the amount *you* have paid, *you* must pay the difference.

8 *Fraud*

If *you* or anyone acting on *your* behalf makes any false or fraudulent claim or supports a claim by false or fraudulent document, device or statement, *you* will forfeit all rights under the Policy and all cover will cease. In such circumstances, *we* retain the right to keep the premium paid.

9 *Arbitration*

If *we* accept *your* claim but *you* do not agree with the amount *we* will pay *you*, *we* will refer the matter to an arbitrator chosen by *you* and *us*. *You* cannot take any action against *us* until *you* and *we* have received the arbitrator's final decision.

10 *Automatic reinstatement*

If *you* make a claim, *we* will not automatically reduce the sums insured by this policy, as long as:

- a the amounts to be reinstated during any one period of insurance are not more than the amount of the sum insured;
- b *you* take any reasonable measures *we* suggest to prevent further damage; and
- c *you* pay the appropriate extra premium.

11 *Rights of Parties*

A person or company who was not a party to this Policy has no right under the Contracts (Rights of Third Parties) Act 1999 or any subsequent legislation to enforce any term of this Policy but this does not affect any right or remedy of a third party which exists or is available apart from such Act.

12 *Changing your details*

*You* must tell *us* immediately about any changes that may affect your policy cover. Here are some of the changes *you* should tell *us* about:

- ↳ *You* changing *your* address
- ↳ *You* changing *your* occupation
- ↳ Changes in the use of the insured address
- ↳ Changes in the occupancy of the insured address
- ↳ *You* being convicted of a criminal offence (other than motoring offences)
- ↳ Adding items to, or taking items off your insurance
- ↳ Alterations affecting the construction of the insured address
- ↳ Alterations affecting the number of bedrooms at the insured address

This is not a complete list and *you* should contact *your* insurance adviser if *you* are unsure whether a change of circumstances may affect *your* policy.

When *you* tell *us* of a change of details *we* will reassess the premium and terms of *your* policy. *You* will be informed of any revised premium or terms and asked to agree before any change is made. To reduce costs *we* will not make small refunds or charge small additional premiums for the period from the date of the change to the renewal date of *your* policy. In some circumstances *we* may not be able to continue *your* policy following the changes. Where this happens *you* will be told and the policy will be cancelled in line with the provisions of General Condition 7.

13 *Law Applying to the Contract*

Unless *we* agree otherwise:

- a the language of the policy and all communications relating to it will be English; and
- b English Law will apply to this contract of insurance.
